Emphasis Point:

An accident occurred in the factory premises of the company at Kakinada on 11th March 2021. This had resulted in loss of lives of two employees and damaged a section of the plant and machinery in a block along-with certain inventories. Management is of the view that, the accident occurred due to operational assessment error committed by the deceased employees leading to a safety lapse and hence the accident. These employees were in-charge of the operations of that section during that point of time. Consequent to the occurrence of the said accident the manufacturing operations of the factory was closed temporarily from 13th March 2021 based on the prohibitory order issued by the jurisdictional deputy chief inspector of factories. The partial relaxation to such prohibitory orders were issued on a product-by-product basis over a time. According to the management, the company has since, complied with the HAZOP recommendations stipulated under such prohibitory order and reported back, the same to the said authority, and the management consider the same as closure of said matter.

The expenses incurred in this regard has been captured as Exceptional item under the Statement of Profit and Loss account for the quarter under report.

Management has covered all risks under the insurance policy in place, including the reinstatement clause in case of any accidents. The concerned insurance company officials are carrying out their processes, to ascertain the damage. Management is of the view that, no further liability, apart from the amount provided under exceptional item, shall arise in this matter.

This matter has been taken up *suomoto* by National Green Tribunal, Principal Bench New Delhi. The matter is being heard and company shall initiate necessary action as may be required, upon pronouncement of such order.

Our opinion is not modified in this matter.

Subject to the emphasis point detailed above, in our opinion and to the best of our information and according to the explanations given to us these quarterly financial results as well as the year to date results are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, read with SEBI Circular No. CIR/CFD/CMDI/80/2019 Dated 19th July, 2019 in this regard and give a true and fair view of the net profit including other comprehensive income and other financial information in conformity with the accounting principles generally accepted in India specified under section 133 of the Act for the year ended March 31, 2021.
